

KALENA FA'A-SAMOA

Kalena Samoa

Samoa Nature Planner

2027

English & Gagana Samoa

Illustrated with original artwork inspired by Samoa's teuila, manumea, waterfalls and lagoons. Every month pairs a Samoan proverb with its English meaning.

How to Use This Planner

Fa'aaogaga o Ienei Kalena

Each month opens with a calendar page — space for a monthly goal list, a full weekly grid with room to jot a line under any date, and Samoan holidays marked in coral. A lined notes page follows every month for longer thoughts, lists, or planning.
